

14 December 2011

**This is to certify that:**

SekChek's Microsoft Forefront Threat Management Gateway has been audited by Netsurit on the 12<sup>th</sup> December 2011.

As per conclusion in our report, it is our finding that the SekChek network has been adequately secured from external attacks using the rules on the TMG firewall.

Netsurit (Pty) Ltd is a Microsoft Gold Certified Partner with a competency in Microsoft Security Solutions.
